Only those who have reviewed, year in and year out, know how truly abominable most fiction ls. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear?or we may miss that subtle satire which disguises itself as clich?, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naive1, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics* accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it..own cheek or

"What makes you think that women are a natural resource, Craw-ford?" she said, slowly and deliberately. Major Thorpe, Electronics Intelligence Officer at Brigade H.Q., had read somewhere that spinach and fish were sure remedies for failing eyesight, so he placed Corporal Swley on an intensive diet. But Swley hated spinach and fish even more than he hated being tested, and within a week he was afflicted by acute color-blindness, which he demonstrated by refusing to see anything at all in even the simplest of training displays.
