"Go on," the witch murmured..cheese, roast kid, company," he said..the practices of sorcerers and witches. Women's powers were particularly distrusted and maligned,,seemed to be approaching living quarters of some kind, as the area took on the quality of a..So for a half-month or more of the hot days of summer, Irian slept in the Otter's House, which was a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese, greens, fruit, smoked mutton - and went with him every afternoon into the grove of high trees, where the paths seemed never to be quite where she remembered them, and often led on far beyond what seemed the confines of the wood. They walked there in silence, and spoke seldom when they rested. The mage was a quiet man. Though there was a hint of fierceness in him, he never showed it to her, and his presence was as easy as that of the trees and the rare birds and four-legged creatures of the Grove. As he had said, he did not try to teach her. When she asked about the Grove, he told her that, with Roke Knoll, it had stood since Segoy made the islands of the world, and that all magic was in the roots of the trees, and that they were mingled with the roots of all the forests that were or might yet be. "And sometimes the Grove is in this place," he said, "and sometimes in another. But it is always..".In the evening he lay down on the ground and talked to it. Slowly their talk turned from vision to intention, from longing to planning. Veil was always cautious, warning of dangers. White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong again. But her mind, formed by her long solitudes among the trees, always sought form and clarity, and she said, "How can we teach our art when we don't know what it is?".They nodded..The conversation had trailed off somehow. The sun was setting; he stood up, bade her goodnight gently, and..his hand on it. "This is clever," he said. "But who is it? A newcomer, I think." He sniffed..".Keep her quiet," said the young woman, and left him holding the mare's reins in this deserted place. She returned after some time lugging a heavy bucket, and set to sponging off the mare's leg. "Get the saddle off her," she said, and her tone held the unspoken, impatient, "you fool!" Ivory obeyed, half-annoyed by this crude giantess and half-intrigued. She did not put him in mind of a flowering tree at all, but she was in fact beautiful, in a large, fierce way. The mare submitted to her absolutely. When she said, "Move your foot!" the mare moved her foot. The woman wiped her down all over, put the saddle blanket back on her, and made sure she was standing in the sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water four or five times a day, it'll heal clean, I'm sorry." She said the last honestly, though grudgingly, as if she still wondered how he could have let his mare stand there to be assaulted, and she looked straight at him for the first time. Her eyes were clear orange-brown, like dark topaz or amber. They were strange eyes, right on a level with his own..The desire for power feeds off itself, growing as it devours. Early suffered from hunger. They..I. Iria..At that the Summoner ran up towards her, reaching out, lunging at her as if to seize and hold her. They were both on the hill now. She towered above him impossibly, fire

breaking forth between them, a flare of red flame in the dusk air, a gleam of red-gold scales, of vast wings - then that was gone, and there was nothing there but the woman standing on the hill path and the tall man bowing down before her, bowing slowly down to earth, and lying on it.. "The Patterner sent for us," said the Master Herbal. He looked uncomfortable. Noticing a clump of weeds under the window, he said, "That's velvet. Somebody from Havnor planted it here. Didn't know there was any on the island." He examined it attentively, and put some seedpods into his pouch..her mind to watch their careful work. She wished she could help them at it. The waiting and the."In the Inmost Sea, on the Isle of the Wise, on Roke Island, where all magery is taught, there are nine Masters," he began.. "Very well," said the Herbal, with his patient, troubled look; and he went aside a little, and knelt to look at some small plant or fungus on the forest floor.. "My mastery is here, on Gont," he said, still speaking hardly above a whisper. "My master is Heleth"..of resistance he had. The illusion and the shape-change were all the tricks he had to play. If he..When he added that little questioning "eh?" or "neh?" to the end of what had seemed a statement it always took her by surprise. She said nothing..Neither of them had been on Pody. It was a."Bringing them a student - yes. A student of great gifts!".Berry ducked his head and muttered. His eyes were dull. It seemed to Irioth that the man had been poisoned. When Berry went out again, the woman came closer and said, resolute, in a low voice, "There's no harm in him but the drink, but there's not much left of him but the drink. It's eaten up most of his mind, and most of what we have. So, do you see, put up your money where he won't see it, if you don't mind, sir. He won't come looking for it. But if he saw it, he'd take it. He often doesn't know what he's doing, do you see..". "Yes," he said with a smile.
