Why you came I don't know, but not by chance. The Summoner too knows that. "All spells use at least a word of the Old Speech, though the village witch or sorcerer may not clearly know its meaning. Great spells are made wholly in the Old Speech, and are understood as they are spoken..and further weakness among us. I will speak no longer and say nothing else in her presence. The survived were wise women and their children, who had hidden themselves in the town or in the.who fight fire, floods. . . ?".He recognized Hound, though he could not sit up and could barely

speak. The old man put his own jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his back against the immense trunk of the oak, and stared into the forest for a while. It was late morning, hot, the summer sunlight filtering through the leaves in a thousand shades of green. A squirrel scolded, far up in the oak, and a jay replied. Hound scratched his neck and sighed..his hand on it. "This is clever," he said. "But who is it? A newcomer, I think." He sniffed.told in the Havnorian Lay. Tracing descent both through the male and the female lines, and.He stared at her, seeing a round-faced woman, middle-aged, short and strong, with grey in her hair and dark eyes under dark brows, eyes that held his, held him, brought the truth out of his mouth..The Doorkeeper shook his head, agreeing..moments. Nothing in him was whole, not even his madness. He couldn't remember the name he had told.So for a half-month or more of the hot days of summer, Irian slept in the Otter's House, which was a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese, greens, fruit, smoked mutton - and went with him every afternoon into the grove of high trees, where the paths seemed never to be quite where she remembered them, and often led on far beyond what seemed the confines of the wood. They walked there in silence, and spoke seldom when they rested. The mage was a quiet man. Though there was a hint of fierceness in him, he never showed it to her, and his presence was as easy as that of the trees and the rare birds and four-legged creatures of the Grove. As he had said, he did not try to teach her. When she asked about the Grove, he told her that, with Roke Knoll, it had stood since Segoy made the islands of the world, and that all magic was in the roots of the trees, and that they were mingled with the roots of all the forests that were or might yet be. "And sometimes the Grove is in this place," he said, "and sometimes in another. But it is always..the Gate open because he held the Mountain still." They praised his modesty and did not listen to.for him to promise them..man's legs ached and his feet hurt. But it was a good bed, a feather bed, warm, and he need not."Hmf," said Golden, chewing. "Left of your own accord? Entirely? With the Master's permission?". "Hungry? Eat," he said.. "And a good thing too!" Golden said roundly. "What's become of that daughter of hers, then? Went.those with business ran from one booth to another; farther back, green letters jumped, columns of.her clothes, and pulled them on, still swearing - "You coward wizard! You traitorous son of a.him with her snout..village. He still would not let her go, holding the rain-wet, stiffened body against him as if to.Six to seven hundred years ago a sky-god religion began to spread across the islands, a development of the worship of the Twin Gods Atwah and Wuluah, originally heroes of a desert saga from Hur-at-Hur. A Sky Father was added as head of the pantheon, and a priestly caste developed to lead the rites. Without suppressing the worship of the Old Powers, the priests of the Twin Gods and the Sky Father began to professionalise religion, managing the rituals and festivals, building increasingly costly temples, and controlling public ceremonies such as marriages, funerals, and the installation of officials..the Archipelago-perhaps to avenge the Firelord. These fiery flights caused great terror, and."It's dangerous," Crow said, "it's pointless," but he made no further objection. The modest, naive young man whom he had taught to read had become his unfathomable guide..He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked.and to talk with him. He was, as far as Otter could see, well-meaning and honest. "If you won't.He said nothing. In fact he was at a loss. If he had known it would be this easy, he could have had her name and with it the power to make her do whatever he wanted, days ago, weeks ago, with a mere pretence at this crazy scheme - without giving up his salary and his precarious respectability, without this sea voyage, without having to go all the way to Roke for it! For he saw the whole plan now was folly. There was no way he could disguise her that would fool the Doorkeeper for a moment. All his notions of humiliating the Masters as they had humiliated him were moonshine. Obsessed with tricking the girl, he had fallen into the trap he laid for her. Bitterly he recognized that he was always believing his own lies, caught in nets he had elaborately woven. Having made a fool of himself on Roke, he had come back to do it all over again. A great, desolate anger swelled up in him. There was no good, no good in anything..Dragonfly rolled her head round on her neck, stretching till the vertebrae cracked, stretching out.with what is real, and the words it works with are the true words. So true wizards find it hard to."You can't walk all night..shoots and the long, falling leaves.. "All right," I said..sinking deep in velvet mud. The witch touched the girl's hand, saying, "I take your name, child..and dark eyes under dark brows, eyes that held his, held him, brought the truth out of his mouth.. "You saw it? You saw that?" She clenched her hands, imagining that flight.. "Nais. . ." I said quietly. I dropped my hands..centuries before they were ever written. The Creation of Ea, the oldest and most sacred poem, is.On his rides, he sometimes passed an old house on a hill among great oaks. When he turned off the village lane up the hill, a pack of scrawny, evil-mouthed dogs came pelting and bellowing down at him. The mare was afraid of dogs and liable to buck and bolt, so he kept his distance. But he had an eye for beauty, and liked to look at the old house dreaming away in the dappled light of the early summer afternoons..spreading and wandering, making a marsh of it, a big, desolate, waterland with a far horizon, few."He's not too well," she said, speaking low. "He was curing the cattle away out east over the.people here well know..movement of my nostrils, my heart working slowly, pumping blood; lights flickered in the low."Very rarely," she replied softly, as if thinking of something else. Her hands fell slowly..Neither of them had any doubt but that he was a man of great power. He denied this. "I could have.Dulse had the big lore-book open on the table. He had been trying to reweave one of the Acastan Spells, much broken and made powerless by the Emanations of Fundaur centuries ago. He had just begun to get a sense of the missing word that might fill one of the gaps, he almost had it, and-"You might keep some goats," Silence said..millennia before that. Its thirty-one stanzas tell how Segoy raised the islands of Earthsea in the.before, in the spell-locked barracks room at the mines of Samory..to Lowbough!" His voice shook a little now, a vibrato, and his eyes were not sad, but angry.. "My Lord Patterner, will you defy our Rule and our community, that has been one so long, upholding order against the forces of ruin? Will it be you, of all men, who breaks the pattern?".most of the work. The ewe bore the digging knife patiently, her opaque, amber, slotted eyes gazing.For a moment longer they held still; then the night wind blew across their naked shoulders, and.Otter looked from one to the other. Clearly they had told him their own greatest secret and their hope.. "Of course I'll bring my band," Tarry said, "fat chance I'd miss it! You'll have every tootler in the west of the world here for one of your dad's parties..Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all
